Dear Parents

Next week we are having assessment week and we will be testing children on reading, maths, times-tables, spelling and grammar. This is something we do each year and combine these with teacher assessment to identify the next steps for all children. Most tests will be completed by Wednesday.

Following some inappropriate language both in school and through Facebook we will be developing a Code of Conduct for all adults entering the school site. This will enable everyone to feel safe and secure whilst at school and both in and out of school. Our Complaints Procedure is on our school website if you wish to make a formal complaint about an aspect of school life. Talking to a member of staff is the best way to solve 95% of issues.

Next week is also Sports Relief Week for all the children with a special event each day. This will raise money to support children and adults who are worse off than us. It is also an opportunity to exercise, try new things, work as teams and perform actively across the school week. Please encourage your child to participate actively and enjoy the week.

Finally a reminder of three events in the next weeks; firstly Easter Discos on 22nd March, Easter Service at St. Marks Church 27th March and the last day of school on Thursday 29th March. We hope this will be a smooth if very active last two weeks of term.

Andrew Ridout

"You won't have time for you, if you are always angry or complaining" Stephen Hawking

Don't Forget

The PTFA Easter disco is next Thursday 22nd March—see overleaf for details.

Farm Fresh Revolution

This regular event is progressing well and proving popular with many of you. Please remember to make a donation to this initiative when you collect your bags to make sure that it is able to continue. After Easter the bags will need to be collected by a responsible adult (not a pupil). There is a waiting list for this, so if you no longer wish to collect a bag please let us know immediately so that we can let another family benefit. Thank you for your support.

The next Assembly is
Thurs 22nd March
at 9.00am K
