Dear Parents

We have now completed the re-structuring of our Governing Board and had our first meeting on Monday 19th March. At this meeting we discussed issues such as catering in school, Multi-Academy Trust developments, the school budget and behaviour of visitors coming into the school. It was an excellent meeting.

I would like to tell you that the new Governors are

Mrs Khanom (Co-opted)
Mrs Black (Parent)
Mrs Adcock (Parent)
Miss Tyler (Parent)
Mrs Colley (Parent)

welcome their input and support for the school.

Unfortunately this does mean that some of our long standing governors are leaving the Governing Board and I would like to thank them all for their hard work, support and advice over the last 5 years. Many of them enabled the school to develop from a school in Special Measures to currently being a Good school and without their support this would not have happened. The Governors leaving are Mr Dave Attwood who has been in the chair of premises and building development for many years, Mrs Baker who has in her role as Deputy School Manager enabled the school to work closely with the younger children and Mrs Foster who in her role as representing the staff has ensured challenge for the quality of teaching and learning.

The details of the new governing board will be published on our website in due course and we hope you will feel re-assured that there is a significant presence on the board by parents and members of the local community.
