Dear Parents Andrew Ridout

Attached with today's newsletter is our new and governor approved Code of Conduct for all associated with Tower View Primary School. It was agreed, following some very specific and derogatory comments towards several members of staff this year, that school required a code of conduct on how everyone behaves towards one another. This has been written in consultation with several unions and in consultation with staff and Governors and will form a basis for any decisions the school needs to take. It relates to behaviour in school and on-line comments and we hope will be something that everyone supports and we never need to discuss. Please do read this and a copy will be placed on the website for your use and as normal can be directly translated into many different languages here.

We look forward to welcoming parents and children to our May Day parade, led by year 2, tomorrow morning with the May Pole dancing at 2pm for year 2 children and then the parade at 2.30pm approximately for everyone to watch...the weather does look promising. Gates will be open from 1.45pm onwards.

Finally I will be holding a meeting for parents regarding the new Data Protection Regulations on 24th at 3.15pm in Key Stage 2 hall. We will be sending letters and notices to parents in the next few weeks so as to ensure we apply the new rules.
