## Dear Parents

Next week, as you may be aware, is SATs testing for year 6 pupils across the whole country and our pupils will be involved from Monday through to Thursday. This does have a knock on effect with all classes because of the number of staff needed and the different allocation of rooms. I'm sure that the children will do their best and try to achieve their potential, we wish them every piece of luck.

The sunny weather has brought everyone some cheer and a little more time outside perhaps. Can I remind everyone about Road Safety and Stranger Danger. Children should be well-aware of these dangers and what to do to keep safe. However it is still important as parents we know where our children are and give them clear guidance on when they should be back home. I hope they can all continue to enjoy the pleasant weather conditions.

We have been mentioning for some time and you are probably aware of the changes most organisations are trying to make to put in place the new rules for Data Protection. As a school we are no different and on the basis of this newsletter is a letter telling you about some of the changes. These changes come into place on 25<sup>th</sup> and we will be holding an information meeting on Thursday 24<sup>th</sup> at 3.15pm.

As it is Royal Wedding Event Day in our kitchen on Thursday 17th May with a special meal on offer. Perhaps your child might want to try it...details can be seen on this newsletter or via our kitchen.

## Don't Forget

Next week is SATs week for year 6 pupils, and they may arrive from 8.20am for free breakfast from Monday to Thursday to set them up for the day! We wish them well.

## Kitchen News

Our school kitchen will be celebrating the royal wedding on Thursday 17th May with a range of party food for your children to enjoy—sandwiches, chicken bites, sausage rolls, wedges, veg sticks, fruit pots, yogurt & ice cream will all be available on this day.

## Farm Fresh

Our next Farm Fresh delivery is tomorrow afternoon—remember to collect your produce and let us know if you no longer require this as we have a waiting list.

The next *Assembly* is  
Thurs 17th May  
at 2.45pm K
