**TOWER VIEW**  
PRIMARY SCHOOL

Dear parents/ carers

This week has 2 special themes that every class will be exploring.

Firstly, this week is Children's mental Health Week— this year's theme is 'Let's Connect'. This theme asks us to explore the connections in our life and our communities. When we have healthy connections – to family, friends and others – this can support our mental health and our sense of wellbeing. If you can— take some time to connect together as a family at home to talk and play and eat together.

Secondly, it is Safer Internet Day today—7th February—similarly this

focus' on connections as the theme is 'Want to talk about it? Making space for conversations about life online'. The internet is a wonderful place—but so difficult sometimes for young people to navigate safely. There is some great advice for parents/ carers [here](#)

We are really lucky to have Konflux theatre here this week doing workshops with every class from Year 1-Year 6 on staying safe online.

Wishing you all a fantastic week.

## **School Dinners**

We have been informed that school dinners should rise to £2.83 for those who pay for them after half term.

I feel that this is the wrong time to raise prices and this is not representing the value that school dinners should provide.

As a result, for the rest of this school year, school will subsidise the increase for all.

We will work with our meal providers about cost for the next school year but there may end up being a significant rise if food prices do not start to drop as the subsidy is not something we can provide long term.

## **Communication with school:**

Please be aware that when you send a message to teachers on Seesaw/ Tapestry, we will aim to respond in 24 hours (and with no response usually at a weekend).

Please be mindful of the times you message—most staff only check messages while at work in school—but not while teaching.

**Any urgent messages and all messages around absence should go via the school office.**
