## Dear Parents

Although it may not seem it the Summer Fair is approaching and we are having a **non-uniform** tomorrow. It would be great to receive items for tombola and raffle prizes; such as tins, plates, bottles, small gifts and toiletries. The Summer Fair is on June 9<sup>th</sup> after school and all are most welcome.

We have had some reports of children riding their scooters dangerously along the middle of Vancouver Drive and causing cars to serve out of the way. I'm sure you would agree that the proper use of scooters is a good thing, but that children must be supervised by parents how to use them. I hope all those using scooters will think sensibly about how to use them.

Our website [www.towerview.staffs.sch.uk](http://www.towerview.staffs.sch.uk) can be used to find several pieces of information that may be of interest to you:

• The School calendar.

• A summary of the expected standards for each year group in reading, writing and maths.

• An outline of the curriculum for each year group.

• If you click on the links you will also find some useful links and resources to help inform and support you and your children.

Finally, to the year 6 pupils who are going to visit Wood next week, good luck and enjoy your trip. It should be a great experience, weather permitting, and I'm sure they are looking forward to it.
