Dear Parents

It is a pleasure to start by saying a huge thank you to everyone who supported the P.T.A.'s Summer Fair last week, the total of £1200 was a great achievement and will be put to good use across all classes in the school. I'd really like to thank Jenny and her committee P.T.A. members for their hard work in the organisation of a successful event. The A.G.M. is on Thursday 13th July at 3.30pm and I hope people will be encouraged to join the group to ensure these events continue.

Sports Day is next week and hopefully the weather will be nice, sunny and warm. If it is, please can you ensure your child has a suitable hat and P.E. kit for the event so they can participate fully. Also please come and support their efforts and enjoy the commitment and excitement.

At school we endeavour with an ever tightening budget to ensure the curriculum we offer to the children is varied, relevant and stretches the children's learning and skills. We strongly believe that children should encounter a range of experiences and people to help them become a well-rounded individual ready to take their place in an ever changing society. I'm sure you would agree it is very important that this happens and as a parent recently said to me "I love it that my children try things they haven't done before because it makes them a better person." We will continue to provide these opportunities and work within the current budget and Government guidelines.

Finally a reminder that bicycles should not be parked on the school grounds as accidents can happen and the paths are very narrow.

Pre- School News

We like to promote healthy eating—please do not give your child fizzy drinks, sweets or chocolate products in their lunchbox. We also have a strict no nuts/peanuts policy, and children will not be allowed to eat products containing nuts. When it is hot please include an ice pack in your child's lunch box to keep it fresh.
 Thank you.

Winhill Resource
