Dear Parents

With the onset of the nice weather can I ask that children do have plenty of water to drink and a hat if at all possible. We offer the children shaded areas to go to in both key stage 1 and 2 and adapt playtimes if we feel the weather is too hot. We do want all children remain safe and enjoy the summer weather as much as possible, but some precautions are useful.

I hope you enjoyed the Sports' Days and the enthusiasm and enjoyment from the children was catching. They all did extremely well and were very supportive of one another. Thank you to all those who came and watched.

We will be sending out various pieces of information over the next few weeks including newsletters, reports and Key Stage results. This year we have had to stagger these so as to fit in with government schedules and secondary school transition days. There will be an opportunity to discuss results and reports on the last Wednesday of the term (19th July) between 3.30pm and 4.30pm.

Finally a huge well done to all the children who performed at Burton Town Hall on Monday in the K.2M. concert it was a very impressive performance. Oliwier's solo was brilliant and we are proud of all of the children and their attitude and determination to succeed. We have more performances and events coming up so please keep in touch by looking at the school's website on www.towerview.staffs.sch.uk and choosing the calendar tab.
