Dear Parents

From next Monday we are making a slight change to the ordering of school kitchen sandwiches - your child will be able to choose each day from cheese, ham, tuna or jam. We are going to trial this until the end of term and see if it is successful, so you might like to talk to your child about making the choice when their teacher takes the dinner register in the morning.

Well done to all our dancers from years 2 and 6 for their 3 excellent performances this week. The parents who attended were all amazed by the dedication, enjoyment and teamwork involved. My thanks go to all the school staff for their ongoing support of dance as part of the curriculum, but especially Ms. Dunne and of course Michaela.

Over the next few weeks we will be sending out differing pieces of information about next year. This will include class lists, pupil reports and a separate assessment information sheet. The reason for the pupil attainment being separate from the reports is that we have to fit in with Government SATs timelines and we wish to ensure the latest school assessments are provided for all parents at the same time. I hope you will find these of use.

Finally good luck to all the year 6 children who will be attending "move up days" over the next few weeks, I'm sure they will show a great attitude and start their new school career in a positive way.
