## Dear Parents

School has now been open for two weeks and most of the children have settled well and despite rising numbers for the fourth year running they will receive a good education. It is important that as parents you try to support your child and as a minimum listen to them read each night...it is amazing what a difference 10 minutes each night can have on a child's learning. Attendance is the second thing about which parents can make a huge difference, ensuring that children arrive on time and attend each day. We have had children who have settled really well and then miss a day, often around a weekend, and then return to school either upset or not ready to learn. The government clearly state that it is the parents' responsibility to ensure children go to school, so please do try to get them in as often as possible.

Well done to every one for their participation in the Buddy's Big Workout for the NSPCC, not only was it good fun but it raised money to support children who are in a poor situation in England. Sponsor money is being collected on Monday 25<sup>th</sup> September so please return your donations by then. We should have a final figure next week.

Most clubs start next week and a full list will be placed on the website next week.

Can I again ask that all clothing has names put in them because we are already finding lost property without names and it is difficult to return these to their owners. In addition can children be sent in appropriate clothing for the weather as we do not have spare coats if it is raining
