

Dear parent/ carers,

We are very lucky to be having a Star Foundation Drama Day on Monday. Children from Year1-6 will get a short drama session with a drama specialist.

They help to fund these fun activity days with the money they are able to raise by recycling the old clothes in our re-cycle bin in school.

They (and we) ask if, over the weekend, you could go through your wardrobes and look for those clothes no longer worn that may be too small or just never loved. Pop them in a carrier bag and either put them into the red re-cycling bin at the Vancouver Drive entrance to school yourselves or bring them into the class on Monday and we will do the rest.

They collect

- Clothes
- Towels
- Curtains
- Blankets
- Sheets
- Paired shoes

I know it will be a good day.

Best Wishes

*Graham Lobb*
