## Dear Parents/carers

The highlight of the week this week has definitely been the Year 4 camp at school.

Whilst the weather wasn't necessarily on our side at all times of the camp, I'm told the children had a fantastic time and that the externally run activities were excellent. It may feel a little unusual to have a camp at school - and, while I know it wasn't cheap, it was significantly cheaper than taking the children off-site for similar experiences! Please take time to have a look at the photos in the newsletter to see the great things they got up to. We are extremely grateful to the staff who gave up their time for the children so they could have this opportunity.

After half term, we will be having the swimming pool back on site for lessons for KS2. Hopefully, as it will be June by the time the children are swimming, it will be warmer than last year. All children for Year 3 to Year 6 will get the opportunity to have lessons in the pool so will need swimming kit. Further details will follow closer to half term.

Please do take time to look through the whole newsletter to see the things that have been going on through school over the last 2 week.

**Best wishes**

Anyone is welcome (children are allowed!)

We are a group of parents who plan and run events which are fun for the children and raise money for the school. We are looking for helpers who will be on the committee with us to share the work! We all have other commitments...but a little support is better than

nothing.

What does my child's % attendance mean?

## Attendance Ladder

If attendance falls below 90% you are a persistent absentee and will be referred to the Educational Welfare Service in order to improve attendance.
