

Sports day 2024.

This year we will be celebrating sports day on the Thursday 11th July . The plan is as follows:

The morning will consist of field activities where parents will be invited to come and support their child during their allocated time. These will include the traditional races.

Year 5/6- 9:15- 10:15
Year 1/2- 10:15- 11am
Year 3/4- 11:15-12:15

We are doing these in the morning as it gives the children a longer slot outdoors and the weather will likely be cooler.

Children will then be having lunch where parents will not be able to stay at school.

The afternoon will then consist of the children taking part in multiple challenges to gain points for their team. These will be 1 minute games where in teams they will aim to score as many as they can. Parents are invited to watch their child's slot and support them during this. Again the times for this are:

Year 3/4: 1.30- 2.30
Year 5/6: 2.30-3:15

Key stage 1 will also be doing these but will be completing their challenges during lesson times through the week.

During the day, children will be involved in 2 hours of activity as we have tried to ensure that their time spent participating is longer than their time watching others.

The set up of the day allows children to work on both their personal bests as well as team competition which ensures that they are all given equal opportunities to score points for their team.

Reception- please see letter provided by teachers.
