Dear Parents/carers

It's been another busy week for us all at school.

Year 6 had their residential visit to Laches Wood from Monday to Wednesday.

They arrived back yesterday afternoon having had a great time; looking very tired and (some of them) in need of a good wash (!). I'm really grateful to the staff that enable us to make these overnight trips for our children happen. We are very lucky to be able to offer overnight trips in both Year 4 and 6.

The children have also been really enjoying the swimming pool and their lessons in Years 3 to 6. While it does feel strange to have a pool on the playground, it is fantastic to be able to give the opportunity to so many classes to swim for each year.

We are getting to the time of year when we do start to look forward to the next school year. We will give as much notice as we can to parents about classes and arrangements for next year.

Best wishes

Mr G Lobb
