TOWER VIEW
PRIMARY SCHOOL

Dear parents/ carers

I start today with a thank you to you all. Thank you for your generosity for the YMCA food bank. In these difficult times, many people are needing their help. School's donations required 18 very full carrier bags and 4 very large boxes.

If you need support, please do speak to me or someone at school and we will do what we can to help.

This week we are sending out the newsletter in a variety of ways.

By Seesaw (Years 1-6)

By Tapestry (Reception)

By e mail through ParentPay (everyone)

We will—in the future—be looking to only use e mail direct to you, rather

than through the apps. This is because it can be sent once to everyone.

If you have not signed up to Parentpay—or don't receive the e mail—please get in touch with the office. We will always text to say the newsletter is out—and put it onto the school website.

Please make sure you keep the school up to date with your current contact details.

Best wishes

Graham Lobb

Headteacher

Defibrillator

We hope no-one ever needs to use this but....

We now have a defibrillator for the local community to use—if they ever needed to—on the outside of the Vancouver Drive gates.

The instructions to get this opened are on the front of the box—if needed, the code to open is given via 999/ 101.

Please tell your friends and neighbours.
