**TOWER VIEW**  
PRIMARY SCHOOL

Dear parents/ carers

Another great week last week here at Tower View.

It was wonderful to hear how much children (and staff) enjoyed the pantomime on Wednesday. They are back later in the school year to perform the Railway children—and are already booked to come back next January.

Swimming started yesterday—which was really exciting.

We are very aware that the weather is cold—and are doing everything to make sure that the time outside not in the pool is as short as possible. The water is checked daily and in fact is too cold today so lessons are

not happening today—we will make sure sessions even up over the 3 week period so there is no change to days at this time.

Feedback from the children was that it was great.

All children from Years 4-6 should achieve a swimming award over the 3 weeks - records will be kept from younger year groups to build on this year's successes when we swim next year and beyond.

Best wishes

## Teacher Strikes

Like me, you will have heard about the potential upcoming teacher strikes on the news yesterday.

Of the 3 main teaching unions, only 1 is currently striking.

More details will follow as we get more information.

## Newspaper

If you have any spare newspaper—please bring this into school—it can be used in art lessons—or for the guinea pigs in Reception!

Thank you
