

12th September 2023

Dear Parents

On Thursday 26th October 2023 we are visiting Aston Hall in Birmingham for their Great Fire of London experience. We will be leaving school by coach at 9.00am prompt on this day so **pupils need to be in school on time**, and we will inform parents by text of our approximate time of return, which is likely to be around 3:30pm depending on traffic.

The cost of this trip is £15 per child - this includes travel costs and entrance/activity fees. Please visit Parentpay to give consent and make payment.

Your child will need a packed lunch on this day. If you require a packed lunch from the school kitchen please let your child's class teacher or the school office know. We look forward to an enjoyable day out!

Best Wishes
